Part of our commitment is giving to our Church in proportion to our income to support outreach, ministries, building maintenance and salaries. The below giving chart is a guide to help you prayerfully consider your 2022 pledge to Mediator by looking at the amount of a weekly or monthly pledge based on your annual income.

If you haven't considered giving in relation to your income, we invite you to take that step. If you already give proportionally, we invite you to consider what it might mean for you to increase the percentage in the coming year.
